# 1939

## WHOLESALE PRICE LIST OF ROOTS, PLANTS AND ROOTED CUTTINGS

**Notice:** This is a wholesale list and unless you are a commercial grower or sell dahlias, you must add one-third to price list (except where prices are marked net) unless order amounts to \$7.00.

**Green Plants:** We specialize in Green Plants and recommend them over roots. Our plants are grown in 3-inch pots under moderate heat. Well hardened-off before shipment. Can be shipped anytime after May first. Roots can be shipped at anytime.

**Rooted Cuttings:** These are well rooted and are easily shipped. However, we do not guarantee these but add extras in case of loss.

**Inspection:** Our dahlias were field inspected in 1938 for Mosaic and Ring Spot, which are two serious diseases to guard against.

**Terms:** Cash with order, or balance before shipment. We recommend express shipments on account of insurance. Nothing will be sent by Parcel Post unless sufficient postage accompanies order.

**Guarantee:** We guarantee our stock to be healthy and true to name to the extent of replacement with true stock, and also to reach you in good condition if shipped by express. We are never satisfied until the customer is.

**Greenhouse:** We have recently constructed an additional greenhouse for the purpose of growing green plants, and we hope to serve our customers even better than ever before. Once a customer—always a customer.

OUR 1940 INTRODUCTIONS ARE OUT-  
STANDING, TWO OF WHICH ARE: A  
UNIQUE CACTUS AND A STRIKING BI-  
COLOR. WATCH FOR THEM.

### JOIN A DAHLIA SOCIETY

# Wholesale List of Green Plants of 1939 Introductions

ALICE MAY, (Morgan) I. D. A pure waxy white which has been grown to 12 inches. Briefly described as a white Lord of Autumn	\$3.75 net
AURORA, (Salem) F. D. A rose pink overlaid wax yellow giving it a peach pink appearance. 13 inch blooms on stiff stems. Runner-up for Achievement Medal at Camden	\$5.00
BRILLIANT LADY, (Salem) I. D. A bright reddish French purple reflexed silver. Many petals twist which shows the silver reverse	\$5.00
BRONZE RAYONNANTE, (Foreign) C. Warm bronze, suffusing old rose to citron yellow at center. Certificate of Merit, Haarelm	\$2.00
BURCH FORAKER, (Solcum) I. D. Scarlet, very long, straight stems. Blooms 11 inches to 12 inches. Highest scoring dahlia in Mid-West Trial Grounds	\$2.65
CHAMBERLAIN, (Foreign) S. C. A combination of deep salmon with soft rose shadings changing into violet. Certificates of Merit, Haarlem, Paris	\$2.00
CRACKER JACK, (Dozier) I. D. Flame red. On Honor Roll	\$3.00
DADDY WALKER, (Kemp) I. D. Deep pink, heavily dotted and striped mahogany red. This is a sport of Daddy Kemp. Early bloomer and good root maker	\$1.65
DOMINANT, (Foreign) C. Lilac rose changing to yellow at center. Immense size. Certificate of Merit at Haarlem	\$2.50
DAI WONG, (Lakeside) F. D. A huge yellow with a lighter reverse. This is a dahlia that is outstanding in its performance	\$2.35
EDELSTEIN, (Foreign) S. C. A deep rose with a silvery sheen. Long, erect stems. A good keeper	\$1.35
EMESSEE, (Roberts) I. D. A light autumn. The name of this dahlia is pronounced as you would say M. S. C. Named in honor of Mich. State College. Scored 87.1 at East Lansing in 1937	\$2.35
EMMA WALKER, (McDowell) S. C. Apricot buff. A very large dahlia. Won American Home Achievement in Toledo 1938	\$2.00
EL RUBIO, (Redfern) I. D. Deepest shade of rich velvety Garnet red. Winner of Medal for best California dahlia in show	\$1.00
EVERYBODYS FAVORITE, (Salem) I. D. A rose pink without any trace of lavender. Winner of D. W. Hart medal at Mid-West Show in Detroit	\$6.65
FROST QUEEN, (Lee) S. C. A pure waxy white. Early and profuse bloomer. Won as best undisseminated dahlia in Tacoma Washington, 1937	\$2.35
GENEVA SURPRISE, (Geneva) F. D. Orange blending to apricot yellow, suffused grenadine red. Did considerable winning in the shows	\$2.35
GLADYS GLAD, (Parrella) I. D. Deep old rose at center shading to pale old rose and buff on outer petals, each petal tipped with gold	\$2.35
GERTRUDE LAWRENCE, (Ballay) F. D. A giant red cerise. Winner of American Home Achievement medal	\$5.00
GOLDEN SPIKE, (Robens) S. C. A clear golden yellow. A free bloomer on good stems	\$2.35
GLAMOR, (Salem) I. D. An immense true purple deeply edged Amaranth pink. Winner of Achievement at Baltimore. Has been grown to 14 inches	\$6.65
HILLCREST DAHL, (Rich) Rhodamine purple bleaching to mallow purple. Naturally large with good stem	\$2.00
HILLSIDE GOLD, (Hillside) C. Apricot gold. A wonderful cut flower. Won first in undisseminated at Akron show	\$2.00
HILLSIDE SUNSET, (Hillside) I. D. Autumn. One of the largest dahlias ever introduced. American Home Achievement winner. Scored 86 at Fairmont	\$3.35
JOYCE LOUISE, (Ward) I. D. Giant Orchid Pink. Can be grown to 13 or 14 inches. Won two Certificates of Merit. Winner of many ribbons	\$1.65
JEFFERSONIAN, I. D. Pink. A sport of Sultan of Hillcrest. An early bloomer on 6 foot bush	\$2.00
KEMP'S YELLOW SUPREME, (Kemp) I. D. A very large, full centered yellow. A seedling of Lord of Autumn. On Flower Grower Honor Roll	\$5.00
KEMP'S TWILIGHT, (Kemp) I. D. Orange, striped red. Habits similar to its parent Freckles	\$3.00
KEMP'S RADIANT BEAUTY, (Kemp) I. D. Yellow with scarlet markings. Originator claims it to be more beautiful than Freckles. On Honor Roll	\$5.00
KEMP'S RED PILOT, (Kemp) I. D. Carmine red. A vigorous grower with long stems. On Flower Grower Honor Roll	\$5.00
K. VASATKOO, (Lakeside) F. D. Carmine evenly tipped white. Always comes true. One of the most beautiful bi-colors	\$2.00
LANGLOTH, (Ruschmohr) I. D. Red and white. Winner of D. W. Hart medal at Peekskill, N. Y.	\$2.35
LOIS WALCHER, (Walcher) F. D. A pansy purple tipped one-third white. Winner of six Achievement Medals and two Certificate of Merit	\$2.35
LOUISIANA RUMBA, (Southern) I. D. Red, striped and penciled yellow. Vigorous and prolific. Certificate of Merit at East Lansing Score 86.6	\$2.35
MAYOR FRANK OTIS, (Salbach) I. D. A golden honey yellow with copper shading. Won many American Achievement and other medals. Six times largest flower in show	\$6.65
MARGIE PARRELLA, (Parrella) F. D. White. A very long stemmed variety and described as the best white cut flower on market	\$2.25
MISS IONIA, (Slocum) I. C. Rose pink. A six inch flower on good, stiff stems. A certificate winner at East Lansing	\$1.65
MISS SANTA MONICA, (Stephenson) C. A pure white of medium size. Achievement Medal. An Honor Roll dahlia	\$2.35
MRS. MAY WALLACE, (Chatauqua) I. D. Pure unshaded golden yellow with deeper flesh at base. Very prolific	\$3.35
MRS. STEWART, (Parrella) S. C. Straw-yellow lavender reverse. Formation attractive	\$2.25
MODEL 999, (Lakeside) S. C. A brilliant flame. A seedling of Satan. Certificate of Merit at East Lansing	\$2.35
MY DELIGHT, (Salem) F. D. Pinkish mauve lavender blending with white base. Blooms 8 inches-10 inches. Award of Honor at Georgia Trial Grounds	\$3.35
PAT-AN, (Rosemary) S. C. Rose pink shading to cream on extremely long stems. Won first in Cleveland 1938	\$1.65
PATTIE LU, (Comstock) I. D. Large white, base of petals yellow. Prolific bloomer. Certificate of Merit at Storrs 1937	\$2.35
PINK SPLENDOR, (Geneva) F. D. Old rose on long, stiff stems. A very delicate shade	\$1.65
PREMIER'S EXQUISITE, (Premier) I. C. Pink, rich in color tone. Very prolific. Certificate at Atlanta, Georgia	\$1.65
PREMIER'S WINSOME, (Premier) I. D. The most attractive pink since K. Norris. Heavy insect resistant foliage. Certificate of Merit at East Lansing	\$3.35
RITA WELLS, (Ruschmore) I. D. Grenadine pink on buff gold. Will grow 13 inches to 14 inches. Winner of American Home Achievement medal at Rockville Centre. Many other winnings	\$3.35
SAN GABRIEL, (Edison) F. D. Orange, spotted and striped red. A medium size flower in a rare color	\$1.65
SAN FRANCISCO, (Ballay) I. D. Shrimp pink. Strong grower of exceptionally large size	\$5.00
SNOW WHITE, (Markland) F. D. Pure white, no shadings. Certificate of Merit East Lansing 1938	\$2.35
SOUTHERN SUNSET, (Dozier) I. D. Huge sunset. Combination of red and yellow	\$1.50
SPIRIT OF AUTUMN (Heil) I. D. Chrome yellow, free bloomer. Certificate of Merit at West Virginia Trial Grounds	\$1.25
THELMA CAIN, (Parrella) I. D. Light coral red with jasper pink at center. Certificate of Merit at Storrs and East Lansing	\$3.35
VIN WELL BRIDESMAID, (Blamer) S. C. A distinctive old rose suffused and tipped yellow. Award of Honor at Georgia Trial Grounds	\$2.35
VIN WELL EMPRESS, (Blamer) S. C. A pure deep rose. A dahlia that has both beauty and size. On Johnson's Honor Roll	\$2.35
WAGSCHALL'S PHANOMEN, (Parrella) I. D. Canary yellow. Twelve inch blooms on cane-like stems. This dahlia is different than the average run of yellows	\$2.25
YOUR LUCKY STAR, (American) C. Amaranth pink with white center. One of the largest Cactus grown. Won best undisseminated several times	\$2.35

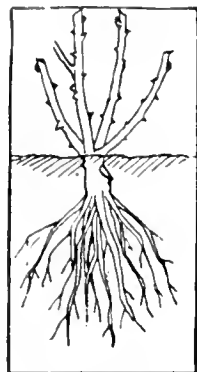

# INSTRUCTIONS

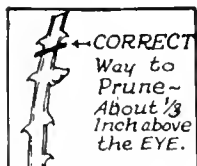

## for the Planting, Pruning and Care of Dixie Roses

**Location and Soil.** Select a place for Roses where water does not stand after rains, and exposed to sunshine at least part of the day. Be careful not to plant too close to trees, hedges or other large plants, as their competition for food and moisture is too great for the best growth of your Roses. The best soil is rich clay loam, but Roses do well in almost any soil.

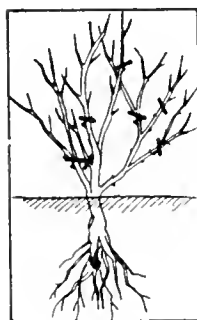

**Preparation and Fertilizers.** Dig 18 inches deep, replacing at least  $\frac{1}{3}$  of dirt with well-rotted cow manure. This may be supplemented with commercial fertilizers in early spring and at such intervals during growing season as indicated by lack of vigor in plants. Use water liberally. Don't sprinkle, but wet thoroughly by allowing water to run slowly as long as necessary to soak to bottom of the roots.

Cut No. 1  
Proper Depth

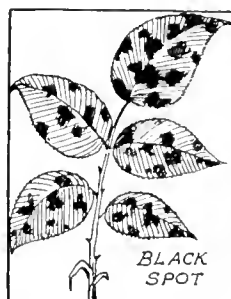

Cut No. 3

Cut No. 4

**Planting and Pruning.** Plant Roses as quickly as possible after they arrive. If impossible to plant at once, bury entire plants in well drained soil to prevent drying out. Cut off broken or bruised roots and branches and prune away all but 3 or 4 of the best stems, shortening these to about 6 inches. Prune branches about  $\frac{1}{4}$ -inch to  $\frac{1}{3}$ -inch above eye as shown in cuts No. 3 and No. 4, at left. Make holes in prepared bed wider than root spread. The point at which the plant was budded should be just under ground when leveled off. When hole is half filled, tamp soil firmly about roots, then fill hole with water. When this has soaked in, complete filling hole with loose soil to prevent drying out. Plant 18 to 30 inches apart according to class of plants. Plant climbers 4 to 6 feet apart.

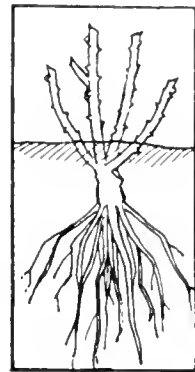

**Diseases and Pests.** Dust plants every two weeks with a combination of 9 parts Superfine Sulphur and 1 part Arsenate of Lead. Do this whether or not any disease is apparent. It will prevent mildew and black spot, either of which are hard to eradicate when started. Spraying with a solution of "Black Leaf Forty" will destroy green plant lice when they appear.

Cut No. 6

Cut No. 7

Cut No. 2  
Too Deep

Cut No. 5

**Cutting Flowers.** You may cut Roses with long stems but leave at least two leaves at the base of stems to produce your next crop of blooms (see cut No. 5.) Flowers should be cut late in afternoon or early morning. Place them in deep water in a cool, dark place for an hour or more before arranging them in shallower containers for display.

Join the American Rose Society and read its annual publications. The address of the secretary is Harrisburg, Penn. Every lover of Roses should belong to this organization.

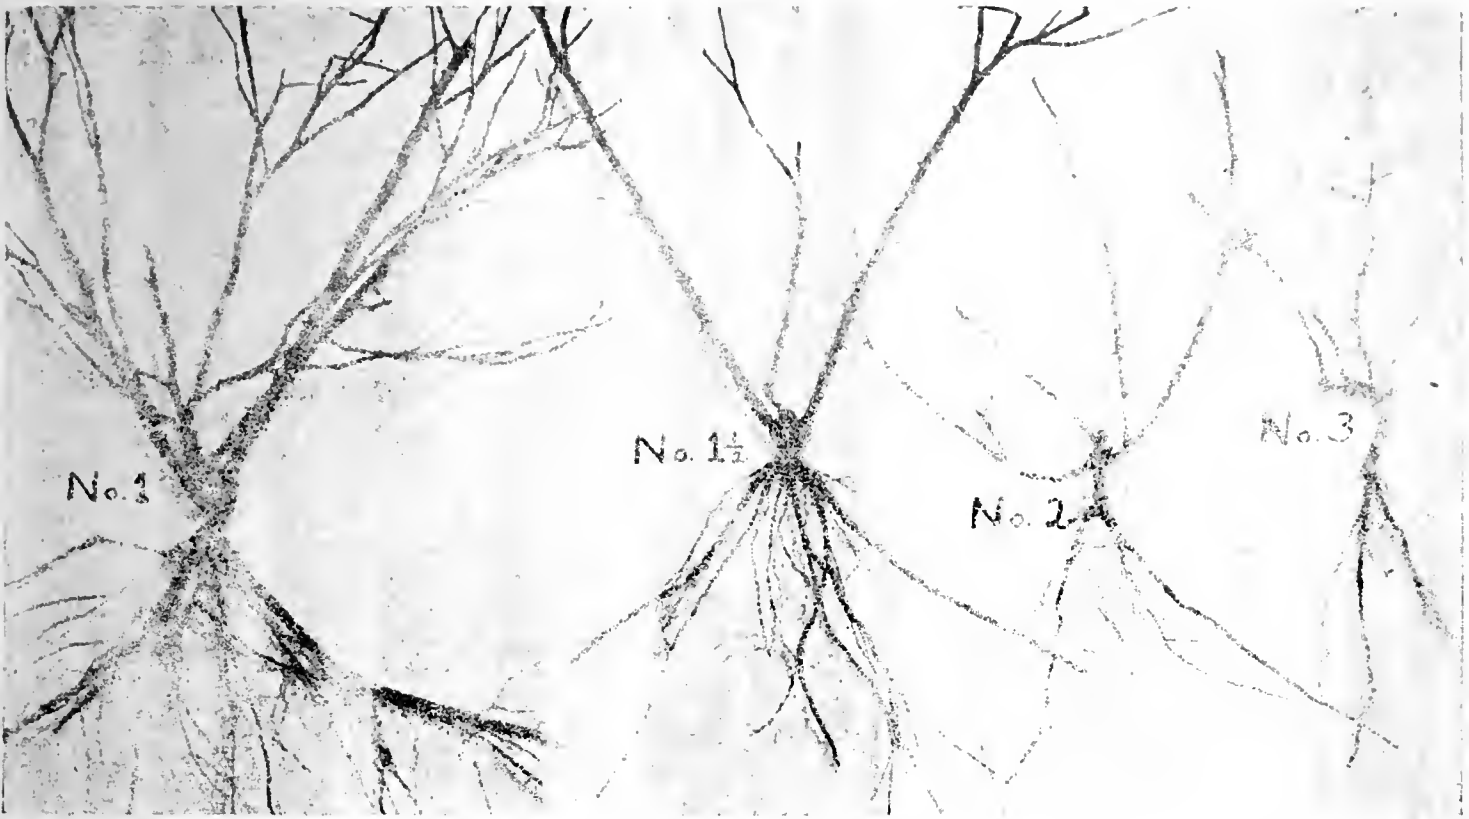

**Winter Protection.** Where there is a possibility of the temperature dropping to about zero, it will be best to hill the dirt up about the bushes some three or four inches high during the winter months. When the plants begin to grow in the spring, remove this dirt down to the natural ground level. It is always good practice to mulch the beds with dairy fertilizer; this gives additional winter protection. If dairy fertilizer is used it should be applied after the Roses are hilled-in or the dirt is banked around them.

For late spring planting, draw dirt up around the plants for two weeks or more, or until they can take root, to protect them from the drying effects of the sun and winds.

## DIXIE ROSE NURSERY, TYLER, TEXAS

*South's Leading Rose Nursery*

## Don't Be Misled --- Let's Study Rose Grades!

All plants shown here are "Two-year old, field grown, budded bushes." They are all of the SAME VARIETY and dug from the same row.

The average row of well grown roses grades out about as follows: No. 1 grade—50 per cent; No. 1½—30 per cent; No. 2—15 per cent; No. 3—5 per cent.

Poorly grown roses contain many more plants of the lighter grades. No. 1½ grade at wholesale is worth 30 per cent less than No. 1; No. 2 grade, 50 per cent less; No. 3 grade, 75 per cent less.

The American Association of Nurserymen has established the following rules for grading the strong growing (like Radiance) Hybrid Tea Roses. No. 1 grade, 3 or more strong canes 18 inches up; No. 1½ grade, two or more strong canes 14 inches up; No. 2 grade, 2 or more canes 12 inches up; No. 3 or cull grade, 1 or more canes 8 inches up. The No. 3 or cull grade may contain larger plants of poor shape or insufficient roots for the upper grades.

Length of limbs for the weaker growing varieties (most yellows) may be 4 inches less on the two upper grades.

Now a rose bush jobber may advertise "TWO-YEAR OLD ROSE BUSHES 19c EACH PREPAID," and fill your order with No. 3 grade and still be truthful and within the law. Or a price cutter may offer "Two-year bushes" at \$2.50 or \$3.00 a dozen and slip in a few under grade plants. Many rose firms use No. 1½ grade plants entirely and sell them as "Two-year roses"—and are truthful.

If you want No. 1 grade roses, don't be misled by the terms, "strong two-year" or "Prime two-year." Rose growers do not try to mislead each other with these terms—they sell to each other by standard grades.

Our roses are usually cut back to about twelve inches before shipment.

IF YOU DESIRE THE CHEAPER PLANTS, WE CAN FURNISH THEM

## *Our 1938 Introductions*

### **Mrs. Wm. S. Knudsen**

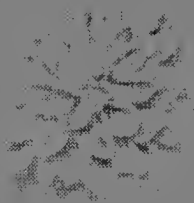

Informal Decorative. A pure white flower that can be grown to 12 inches on a six foot bush, with heavy foliage and leaves often 10 inches across. A heavy winner in the Mid-West, shown four times, winning first each time in the informal undisseminated class. Shown at Detroit, Toledo, Indianapolis, and Chicago. Awarded Certificate of Merit at East Lansing, 1937. Many fine reports from all sections. Several winnings in 1938 including first in 6 blooms in open white class, at Mid-West Show.

Roots \$3.30      Plants \$1.00

### **Mrs. C. E. Wildon**

Formal Decorative. A scarlet red with an orange buff reverse. Something different in a very large red which rolls back to the stem. An abundant bloomer with good stems and foliage. Awarded Certificate of Merit at East Lansing in 1937, score 86.6. Did well wherever planted. Many reported it was one of the best of '38 introductions.

Roots \$3.30      Plants \$1.00

### **Trophy**

This trophy was donated by the Mid-West Conference for the best six blooms of a Mid-West introduction and was won by the dahlia Mrs. C. E. Wildon at the Mid-West show in Detroit in 1938.

### **Pink Adorable**

Informal Decorative. A pink sport of Adorable. Identical in habits and formation. Is to Adorable as Jersey Beauty is to Kentucky. Roots \$1.50; Plants 50c.

### **The Flower Grower**

Formal Decorative, commercial type. A four inch lavender miniature with good stems. Very prolific. Awarded Certificate of Merit at East Lansing in 1937. Won first as best commercial type at Detroit. Roots \$1.00; Plants 50c.

## *Our 1939 Dahlia Introductions*

**Paul  
Bunyan's  
Charm**

A rich golden yellow flower about two shades deeper than the average yellow, with an unusually high center which adds greatly to its appearance.

This is a dahlia that is easy to grow which is much needed in the yellow class, with blooms 11 inches to 13 inches and have been grown to 14 inches. The sturdy bush and its extreme brilliance make it a good garden variety.

Won two firsts in I. D. undisseminated classes, scored 84 in East Lansing 1938, and is on The Flower Grower Honor Roll.

Roots \$8.00 net

Plants \$2.50 net

### **Miss Clio**

F. D. Size 7x4. Amaranth pink with a yellow center. The delicate shading in this long stemmed variety makes it very desirable as a cut flower.

It is early and prolific with leathery insect resistant foliage. Won two firsts in F. D. undisseminated class, and Certificate of Merit at East Lansing 1938.

Roots \$8.00 net

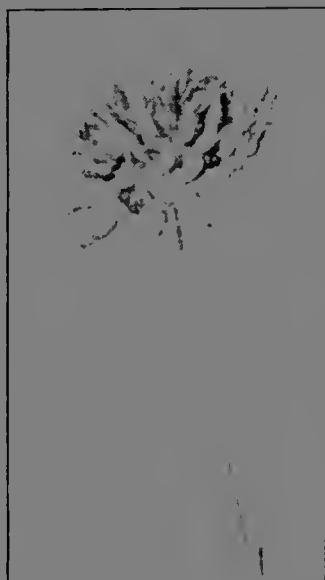

Plants \$2.50 net

### **Sunset Satan**

S. C. 10x5. Sunset shades of apricot buff with faint blending of red. Growth habit and type of this flower are similar to Satan. Anyone who likes a robust grower will like this one as it grows easily from six to eight feet in height.

Roots \$5.00 net

Plants \$2.00 net

### **Margaret Lou**

F. D. Min. 3x2. Pink. Five foot bush. We hesitated before introducing this variety as there are other dahlias of the same type and color but none with 12 inch stems with branches long enough to use in tall baskets.

Shown three times only. Its winnings are: Best miniature seedlings at National Show at Detroit 1936; Best miniature undisseminated at Detroit 1937; Best miniature undisseminated at Toledo 1938.
